two levels of protection

When it comes to weathering the elements, XT™ 30 and XT™ 25 are quite simply at the top of their class. Built on a tough fiber glass base, each shingle provides exceptional resistance to blow-off and tearing and have a 10-year StreakFighter™ warranty. For just a bit more money than an ordinary shingle, XT 30 and XT 25 give you a whole lot more. Both products conform to the following specifications:

- UL Class A fire resistance
- UL certified to meet ASTM D3462
- UL certified to meet ASTM D3018 Type 1
- Conforms to CSA standard A123.5-98

For U.S. building code compliance, see product specification sheets.

color companion products™

CertainTeed offers Flintlastic™ SA, a low-slope roofing product that goes perfectly with XT 30 and XT 25 shingles, giving you the flexibility to coordinate or match areas such as porches, canopies and carports with your main roof.
